

BNP PARIBAS

thanks its clients for making it a Derivatives Leader in Asia

Credit Derivatives House of the Year

“BNP Paribas has experienced phenomenal growth through a better product acceptance in the region, and improved regulatory frameworks, a stronger structuring platform for the bank, and the ‘snowball’ effect of landmark deals.” (Asia Risk Awards 2005)

Derivatives House of the Year, Japan

“Key to the success of the bank’s Japanese presence is the way its local operations form part of BNP Paribas’ overall regional operations.” (Asia Risk Awards 2005)
